Price List Effective March 2019 Extruded Aluminum Drywall & Plaster Moldings and Trim Terms & Conditions

All prices are per linear foot. Pieces are sold in 10 foot lengths.

Terms

Terms are net 30 days from date of invoice to accounts in good standing and will be established based on credit for new accounts.

Changes or Cancellations

Once an order begins processing, cancellation charges may be applicable.

Freight

Shipments are F.O.B. factory (Santa Fe Springs, CA or Alpharetta, GA). Title for all goods shall pass to the purchaser immediately upon delivery to the carrier. Responsibility for filing freight claims rests with the purchaser.

Claims

Claims for material received out of specification or damaged in freight must be made within 5 days of receipt. Fry Reglet will not accept any unauthorized charges for defective or damaged materials, cost of repair, cleanup, or use of equipment. An agreed upon procedural and monetary resolution, between Fry Reglet and the purchaser, must be signed and in place prior to a repair.

Available Finishes

Chemical conversion coating (Chem Film)

Multi-step cleaning and metal preparation process that acts as a protective coating until primer and paint can be applied.

Clear Anodized

Meets or exceeds Aluminum Association Designation AA-M11-C31-A21.

Color Anodized

Please call for availability and quote. Color anodized is an interior only finish.

Primer

Factory baked on primer.

Powder Paint

A Superior finish designed for commercial and

Architectural applications. Select from any Fry Reglet standard powder coat colors and primer finish. Orders under 500 LF subject to a net \$250.00 setup charge.

Touch Up Paint

Touch up paint is available for purchase at \$40.39 net per quart. Please specify interior or exterior application.

Kynar Paint (70% resin solids)

Warrantied paint finish, primarily used in exterior applications due to its excellent resistance to chemical and UV exposure.

Custom Color Matches

Are available in powder paint, Kynar paint and color anodized finish. Please call for price quote.

Custom Extrusions

Please contact Fry Reglet for pricing and lead times. Custom extrusions require a minimum order, additional lead time and may be shipped with a maximum of 10% overage.

Factory fabricated intersections and custom assemblies are available.

Radius technology

Fry Reglet can curve most profiles to your specifications. Contact us for technical assistance.

Quotations are required for all custom fabrication.

Returns

At Fry Reglet's sole discretion, prior authorization is required for return of stock material and will only be considered for return within 90 days of invoice date. Material is subject to inspection; a 20% restocking charge will apply. Contact customer service if over 90-day window-additional restock charge may apply. Nonstock items cannot be accepted for return (includes fabricated, painted, or color anodized items). Invoices under \$50.00 cannot be accepted for return. Please be sure to send invoices (copy) with all RMA's being returned for credits to be properly applied. Custom orders will not be accepted for return.

****If this price list is over 12 months old, please call Customer Service to verify information.**
